Hallo dear Mike,

how are You? I hope You are well!

I want to ask some more time for getting original and autentic landraces from You...

It woud be nasty to do all these work twice, it must be offered to research, I think.

In the myth of multiplied chromosomal sums of modern Hemp-varieties, You may wont have any new knowledge to me, I guess???

Nice greetings to You!

Best wishes out of Hamburg.

Make a better place!

Thanks for reply.

Yours sincerely

Sebastian J. De Valerio

Hello Sebastian,

Currently we do not have the landraces available for sale. Sorry for the inconvenience.

In terms of medical questions it is the best to check out the GH Medical website as Mike suggested.

We wish you all the best
